Grow Your Business With Us

SITEMEDIA.US

Small businesses owned by people of color or women have been some of the hardest hit. Not every aspiring business or budding entrepreneur has access to the same resources or can afford an expensive branding agency to market their business. Choose SITE Media to help you stand out above the competition.

About Us

Introduction

"We homeschooled our 5 children and built SITEMedia with little support. We are here to help improve lives."

We are a service-oriented organization designed to educate and serve communities worldwide, including women, minorities, socially and economically disadvantaged entrepreneurs. Small businesses and entrepreneurs are dealing with the ongoing impact of the pandemic, social unrest, and the environmental crisis on our planet.

Organic Growth

SITEMedia has been an organically grown company which means they are promoted by word of mouth only. We offer a wide range of digital services and products to help our happy clients stand out above the competition.

Some Happy Clients

BROWARD COUNTY SCHOOLS

We built the students' portal website and designed creatives and flyers for campaigns.

THE CITY OF NORTH MIAMI

We designed websites, flyers, street signs, banners, flags and hand sanitizer stations.

MIAMI GOOMBAY FESTIVAL

We rebranded the festival with a new, colorful modern logo and an eye-catching website.

VIRGINIA KEY BEACH PARK

We designed a new website, flyers, tickets for upcoming events, and signage.
